

Buildings and Grounds Minutes

March 7, 2024

- I. Opened with a prayer by Fr. Praveen.
- II. Approved February minutes and took attendance. Absent were: Larry, Fr. Carlos and Matt M.

III. Current Business

- A. John reported that protective film on lower windows of the school and Angelus Center will be applied during Easter break.
- B. Door to the school's Secretary's office will have electronic lock installed soon to create a true mantrap at the front door.
- C. John and Pete will install Knox boxes at doors for police entry during an emergency.
- D. Blueprints of school buildings are on the thumb drive for safety forces/first responders.
- E. Bell tower will have a lock place on the door.
- F. Wendy's report:
 1. Explore the availability of a ramp at the side entry door by the rectory to the church.
 2. John will attempt to get updated fire alarm quotes for the church.
 3. Committee voted 4-0 to continue maintenance contract with chime master for the bells.

IV. New Business

- A. Maintenance around the campus:
 1. Larry and John continue to investigate the cost of a commercial dishwasher for the Angelus Center kitchen.
 2. Handrail at the ramp entry to lower level of Bishop Schmitt Addition. Thanks to Pat and Pete!!
 3. Windows for the Adoration Chapel, cry room and bathroom are on order. These are being donated by a parishioner ~ THANKS!
 4. Denny reminded the committee about the "Man of the Shroud" display.

V. Other Business ~ Fobs at some entry doors are having issues.

Seems to be in the software. Will continue to keep an eye on it 😊

VI. Next meeting is scheduled for April 4, 2024.

VII. Closed with a prayer by Fr. Praveen.
