

Buildings and Grounds Minutes

June 2, 2022

- I. Opened with a prayer.
- II. Attendance was taken. All present except Matt Mansuetto (business) and Father Carlos (funeral).
- III. May minutes were approved.

IV. Old Business

- A. Boiler issues are close to being finished. Denny Wilson will visit Tom and Dave West on Monday to finalize the project.
- B. One mower is in the shop. Two are still available.
- C. 2 new lights on church rear lot and Parish Center lot well received. Also Lynwood resident happy with rental lot light turned away from Lynwood Ave.
- D. Teachers' lounge ~ still need ceiling estimate (may do with our people). Wall at the bathroom must be raised to ceiling. Also, hide away door must be removed.
- E. Two parish offices were painted by our staff. Flooring to be installed later in June.
- F. School flooring and security cameras projects are on hold.
- G. 3 security doors at school adjusted and working well.
- H. H.V.A.C. system at the Parish Office cleaned and inspected. Replaced one pump.

V. New Business

- A. Gym issues corrected and all baskets and bleachers inspected and passed inspection.
- B. Church exterior work will start Monday, June 6. (D-Day; THANK YOU VETERANS!)
- C. School, rectory and church H.V.A.C. systems filters changed for summer season.
- D. Administration brought two proposals for work to the committee for consideration. One for a permanent sound system in the Angelus Center meeting rooms and the other for 4 cameras in the church which will give the church more flexibility to provide real time access for weddings, funerals, baptisms, and masses. Both issues are good additions to our parish. After a spirited discussion by the members about moving forward on the projects, the committee voted to send both to finance on a 3-2 vote. Committee wants to meet with firm quoting cameras before finance votes.
- E. A dumpster will be brought in after the festival to remove unused stuff in the storage building. A BIG THANK YOU to Mansuetto Roofing and Matt.

V. Closed with a prayer

VI. Next meeting is scheduled for August 4th at 12 noon.
