

Buildings and Grounds Minutes

February 6, 2025

- I. Opened with a prayer by Principal Manning.
 - A. Welcomed new employee Greg Miller.
 - B. Absent: Kevin Stryker, Fr. Carlos and Fr. Luis.

- II. Approved December minutes.

- III. New Business update.**
 - A. Air handler bearings have been replaced.
 - B. R.M Hoffman quoted complete inspection and maintenance on the 6 hoops at the Angelus Center. Repair of one hoop will be an add once they ascertain the extent of the problem. Committee voted to move forward on the project.

- IV. New Business**
 - A. Matt will contact United to replace burned out bulbs at the Angelus Center lot. Denny and Skip will meet with United representative if need be.
 - B. A long discussion on church renovation ensued. The committee believes that before plaster repair and painting interior of the church occurs, the roof, flashing, gutters and capstones must be inspected. The roof is 37 years old this year. (last removed and reinstalled in 1988) Will need to be replaced.
 - C. Denny will get pricing on cleaning, crack filling, patching, sealing and repainting lines on all asphalt lots on campus.

- V. Next meeting is scheduled for March, 6, 2025.
