

Buildings and Grounds Minutes

March 5, 2026

- I. Opened with a prayer.
- II. Took attendance and approved February minutes.
- III. Old Business**
 - A. John Carenbauer and Pete Nanney replaced pressure relief valve on the Parish Center boiler which saved the church \$640.00. Thank you John and Pete.
 - B. Sump pumps in the church basement are up and running. Each pump is on its own circuit.
 - C. Greg is making a wood platform to lie over the existing lid for additional protection.
- IV. New Business**
 - A. Big Bear Fencing installed new gates at the playground entrances and the Angelus Center dumpster.
 - B. New handicapped pads at the school cross walk will be installed, weather permitting, during the schools Easter break.
 - C. A lively discussion was had by all about the church renovation project. The committee is firmly behind the need to renovate. Praying all goes well.
 - D. Michelle will check on a plastic bench for the school. Denny will pick it up if needed.
- V. Next meeting is scheduled for April 9, 2026.
- VI. Ended with a prayer.
