the crucified.
He has been raised;
he is not here.”

TREASURES FROM OUR TRADITION

The Paschal Mystery is the key to our Christian faith: the dying and rising of Jesus that is the pattern of our life. In their first steps on the road of faith, the catechumens feel the cross of glory traced over their eyes, on their lips, across their shoulders, on their ears, over their heart, and on their feet. The mystery is that even death gives way to life for those who are held in the embrace of Jesus. Today, many new Christians arise from the waters of the font. Yet the font is not the destination of their journey. The goal is Pentecost, fifty days from now, and a lifetime of praise to the Father, in Christ, in the embrace of the Holy Spirit, for the sake of the world. “Neophyte,” our ancient word for newly-baptized people, means “newly-planted” in Greek. If someone in your parish has just been baptized, welcome them today. The smiles on their faces and the light in the eyes is a foretaste of heaven.

Journey of the Chalice:
The purpose of the Journey of the Chalice program is to encourage families to pray and promote vocations to the Priesthood and Religious Life. Praying for vocations is the most powerful way to support vocations. When we pray for vocations, we lift up to our Father those men and women whom He is calling to follow Him in a special way.

FORMED.ORG

Our parish renewed its subscription to FORMED.ORG.
Parish Code: 4WPV3E

Registration is easy and free to all parishioners (and your friends). Simply type in the parish code and you will have access to a variety of Catholic resources to keep you close to our faith.

Have you checked out our NEW and IMPROVED Online Giving? If you manage your bills online, why not give to your church online? It’s safe and secure, and you decide exactly when your gift is made and where it goes. So if you forgot your envelope last week, you can go online and make a gift to our regular offertory.
Go to: www.stmikesparish.org; click on VIEW DONOR PORTAL to get setup.

Mustang Mass: April 14 @ 4:30pm Mass
All school families are asked to attend this Mass. Students are asked to wear their school uniforms. Let us praise and thank our God for the gift of Catholic education!!
On this joyous day, we thank all of our volunteers in the PSR program for their dedication to the religious education of our parish’s youth. This year, we have nine outstanding catechists who give their time and talents to PSR each Sunday morning. Our catechists are a diverse crew that includes first-timers Isaac Smith and Megan Kirchner, WJU senior theology major Brett Dipuma, dynamic duos including the mother-daughter team of Diane and Sarah Coleman and the husband-wife crew of Luke and Tracy Gilman, and PSR veterans Jimmy Dean and Adriana Wolf. When you see these fine folks around, please thank them for their willingness to play their part in the faith formation of the next generation of St. Michael parishioners!

As this year of religious education moves into its final weeks, many young people in our parish will be receiving sacraments for the first time. On April 24th, our 8th grade students from both PSR and St. Michael Parish School will receive the Sacrament of Confirmation. These students have been prepared for Confirmation in a variety of ways under Adriana Wolf’s guidance, including significant time spent in service to both parish and community. Then, on May 6, our 2nd graders will receive their First Eucharist. Please keep all of these parish youth in your prayers during this exciting time in their lives as young Catholics.

Finally, we ask that you prayerfully consider whether you might be hearing a call to join our team of volunteer catechists for the new year of PSR that will begin in late August. If you would like to walk with our parish’s youth in their faith journey and grow deeper in your own Catholic faith, the catechist’s life may be for you! Please contact our PSR coordinator, Nick Mayrand, if you would like to chat about this unique opportunity to give back to your parish community and help shape our parish’s future. You do not have to be a professional theologian or the next Mother Teresa in order to be a catechist (although, if you are either the former or the latter, we would certainly love to have you involved with PSR!). You can reach Nick at mmayrand@dwc.org or 304-280-3225.

* April 24: Confirmation @ 6pm
* May 6: First Holy Communion @ 2pm

Eyes are the window to your soul

I share my office with Carl. I say good morning to him every day. Sometimes I sit and look into his eyes and wonder what he would say to give me advice. I can’t ask him, because Carl is a photograph.

Several years ago, Janet Boyle designed banners for our Stewardship Fair. With permission, Janet used the photo of Carl for the reflection on hospitality, welcoming and caring for others. The photo was taken by a monk at a Capuchin Soup Kitchen in Detroit. *Whatever you did for these least brothers of mine, you did for me.* Matthew 25:40. I keep this poignant banner hanging in my office to remind me of our call to serve. During the Lenten season we were asked to focus more intently on “almmsgiving,” which means donating money or goods to the poor and performing other acts of charity. Our church answers that call not only during the season of Lent, but throughout the year.

In conjunction with St. Michael Parish School and several of our ministries, our Stewardship Council regularly hosts collections such as canned goods, coats, kitchen supplies, and food for bagged lunches for the homeless of our community. Our annual Angel Tree project has provided Christmas gifts to more than one hundred people. Many of our parishioners volunteer at Catholic Charities Neighborhood Center and we have recently made a financial pledge to the center to assist with their outstanding work helping our neighbors in need. In addition to remembering our neighbors in our daily prayers, we schedule prayer services and Masses in response to the needs in our community and our world. Every October we have a prayer service for Mental Health Awareness. Earlier this year we had a Mass to pray for an end to the opioid crisis in our community. As the year continues to unfold, we will remain conscious of our obligation to acts of charity and aligning our works with the needs of the greater community.

The National Road location of our Angelus Center easily lends to our responsibility to be supportive of the Wheeling community. We host blood drives, a recycling and shredding event, and water stations for local races. Every Saturday in the summer and fall, the Wheeling Farmers Market calls our parking lot home. In 2018, the Angelus Center will also serve as a polling place for Ohio County. I’m confident that you will agree that our parish family demonstrates our commitment to love and serve the Lord and His people. Thank you for your remarkable commitment to charity.

Today we celebrate, Christ is victorious over death! You will undoubtedly see lots of eggs today. The egg represents new life and Jesus' emergence from the tomb and resurrection. And those marshmallow peeps... What do they represent? You may think it’s a stretch... but I think they represent us. WE ARE ST. MIKES and there are some absolutely remarkable “peeps” in our church family. Thank you for your faith, your kindness, and your dedication. Thank you for always answering the call!

Happy Easter Peeps!

Have a joy filled Easter!

Friends Make The World Beautiful!
This school year 7th grade has continued the tradition of having TK Buddies. Each 7th grader has a special buddy in the TK class and twice a month the two classes get together for some fun. Sometimes we play on the playground, other times we are doing centers together or making a craft. Both the older students and the young ones really look forward to this time together. We learn a lot from each other as well!

God Bless the U.S.A.
Second grade students put a 4 X 5 foot puzzle of the United States together during Social Studies class. Each student chose one state to identify its capital city and five state symbols. God bless the U.S.A. and our students!

Science in Action

The pumpkin drop was something exciting that happened at our school this year. In the pumpkin drop, teams (of three) design a box that they believe will protect the pumpkin from a two-story fall. Students can stuff boxes with many items like bubble wrap or bottles to protect the pumpkin. After the box is dropped from the roof, the team has to open the box and lift the pumpkin up in thirty seconds. If the pumpkin does not break, the team repacks the box to compete in another drop. The last team with an undamaged pumpkin wins. This was one of many fun and exciting things that happened at SMPS this year.

PRO-LIFE CORNER

PA: Woman With Down Syndrome Slams Aborting Babies With Down Syndrome: “Am I Not Compatible With Life?”
Disability rights activist Karen Gaffney has swum the English Channel, holds an honorary doctorate, and is a nationally acclaimed speaker. In short, Karen, who has Down syndrome, has an amazing list of accomplishments on her resume. Yet, she knows that babies with the same disability that she has are targeted for abortion, simply based on a prenatal test that detects Down syndrome.

Standing before scores of people in the Pennsylvania Capitol Rotunda Monday, Karen asked, “Am I not compatible with life?” To which she answered, “We (people with Down syndrome) are more than compatible.” Karen’s inspiring words came during a rally to promote House Bill 2050 and Senate Bill 1050—legislation that would ban the abortion of babies diagnosed with—or believed to have—Down syndrome. As one advocate noted, Pennsylvania is on the cutting-edge of disability rights legislation—only four other states have passed similar measures.
