Take care to guard against all greed, for though one may be rich, one’s life does not consist of possessions.

Many of our parishioners were delighted to pick up the Wheeling newspaper last week and see a photograph featuring some of our parishioners. The photo accompanied an article announcing a Veterans Appreciation Ceremony which was held on Saturday, July 27. Included in the photograph were three parishioners; Sam Nazzaro, Wayne Barte and Cindy Barone.

Sam serves on the committee which organizes the event which is held annually at the Italian Festival. Wayne and Cindy are veterans who had been invited to address the event attendees and relate some of their experiences in the military. I had the pleasure of hearing their presentations. Their commitment and dedication to our country is highly commendable and I am certain that I speak for all of us when I express my gratitude for their service.

Cindy is the happy face who will greet you when you come to the parish office and the welcoming voice on the answering machine. She’s also the editor of this bulletin and may object to my request to share these photographs, but I’m insisting. What you may not have known is that Cindy retired from the US Army after twenty-two years of honorable and faithful service with the US Army!

We have so many fascinating parishioners and employees. Wouldn’t it be interesting to hear everyone’s story? Please take the opportunity to say hello and meet the people who join you at Mass. The person sitting next to you has a wonderful story to tell!

TREASURES FROM OUR TRADITION

Apart from the period from Thanksgiving through Christmas, the summer is a favored time for family reunions. We trace family trees and recall our origins. Worship has a family tree as well, and the way we celebrate today has been influenced by various styles and customs through the centuries. We are Western Christians of the Latin Rite. By far, we are the most numerous Western Christians, but there are other ritual families as well. The Archdiocese of Milan in Italy follows the Ambrosian Rite, Toledo in Spain preserves the Mozarabic Rite and the Arab language, and Lyons in France is home to the Gallican Rite. Other liturgical families, such as the Celtic in Ireland and the Sarum in England, faded away after the Reformation. Until recent times, members of some ancient religious orders such as Carmelites and Trappists followed a pattern of Mass that varied slightly from the plan observed in Latin Rite parishes.

Isn’t the Catholic Church the same everywhere? Not at all. It never has been! The existence of so many liturgical families in the West reminds us that unity, not uniformity, is what the Church seeks to achieve among her children. We are united in faith, but wonderfully diverse in rituals, ceremonies, languages, customs, and spirituality.

USING OUR TIME WISELY

A jar of honey lasts practically forever. The oldest jar of honey ever discovered was over five thousand years old. Honey is quite different from market-fresh produce, then; because most fruits and vegetables last only a few days, we treat them carefully. At this time of summer, we rush to find recipes for cherries and cucumbers so we won’t waste a single one. We wouldn’t feel that same urgency about honey.

In our own way, we are as delightful and fragile as ripe produce. Today’s readings urge us not to spoil, but to make good use of our limited time on earth. Ecclesiastes reminds us that because God provides for us now and always, we can manage our daily affairs without anxiety. Saint Paul encourages the Colossians to keep thoughts of heaven in everything they do, and Jesus himself asks us to treasure not earthly wealth, but God alone.

New Faith Formation Seminar this Fall!

Looking for a way to deepen your faith? The Department of Formation & Mission for the Diocese of Wheeling-Charleston is offering a Faith Formation seminar, “Bible Basics”, which will meet for 5 consecutive Tuesdays from 6:00pm-7:30pm, beginning on Tuesday, September 10th, at a central location in the Wheeling area to be determined. The seminar is an in-person adaptation of the online seminars that the diocese offers through its partnership with the University of Dayton. This course presupposes that an individual has not had a general overview of the bible. This is a great place to begin. The course cannot cover everything one needs to know for navigating into the world of the scriptures, but one is given a few basic concepts to begin the journey. If you have ever wondered how the Bible is arranged, what types of writings can be found in it, how to navigate through the Bible, and how to interpret the Bible as a Catholic, you are about to begin an interesting discovery. The course is open to all! Successful completion of this seminar earns you 2.5 CEU’s with UD’s Virtual Learning Community for Faith Formation (VLCFF) and counts towards diocesan catechist certification requirements. The fee is $25. Scholarships are available if the cost presents an obstacle.

The seminar will be facilitated by Shirley Carter, who holds a Bachelor of Liberal Arts from West Liberty and a Master of Theology from Wheeling Jesuit University.

For more information or to sign up for the course, contact Jeanne McKeets in the Department of Formation & Mission at jmekeets@dwc.org or 304-233-0880, ext. 374. Space is limited, so sign up today to reserve your spot. Registration will close on September 1st.

ACT: A Church Together to Renew, Rebuild, and Reclaim our Faith

Under the leadership of a group of St. Michael’s parishioners who have been struggling with the recent issues and scandal facing our Diocese, St. Michael Parish is forming a committee that will be known as ACT. ACT stands for “A Church Together to Renew, Rebuild, and Reclaim our Faith.”

This committee will focus its efforts on uniting the people of our parish and to heal the many wounded faithful of our faith community. In addition to supporting the abuse survivors of the Church, ACT wants to give our parishioners a reason to stay and not walk away.

We invite you to join us on August 14th, the Vigil for the Feast of the Assumption, for Mass at 5:30pm, to be followed by a presentation by Dr. John Spiceman, who will discuss healing within our church. There will then be an opportunity for questions and answers. We will conclude the evening by praying the Rosary. We beseech the help of our Lady of Lourdes for her healing grace upon our parish.

In addition, please consider wearing blue or a blue ribbon to Mass as an outward sign that you are prayerfully committed to helping St. Michael Parish restore trust for the future of our Church. Blue is the color of our patron St. Michael the Archangel. St. Michael is known for his exceptional strength and courage. He’s a leader who fights for good to prevail over evil. He protects and defends people who love God. He is the guardian of the Church.

ACT is sponsoring a collection of items for the teachers at St Michael Parish School. We are collecting disinfectant wipes, tissues, hand sanitizer, dry erase markers, pens, pencils, markers. These items are often purchased out of pocket by our teachers and we would like to show our support and appreciation in this simple way for their selfless dedication to our youth. Please drop off your donations in the back of church.

Help us show A Church Together in support of our school!
Parents of SMPS,

I would like to meet and greet you in a fun event playing volleyball at our Angelus Center, August 3rd, 17th, 24th, and 31st. We can start with Mass at 7:30 am and have our exercise in a friendly game of volleyball. Some of you might be volleyball enthusiasts like me, others good cheerleaders, referees or organizers of this fun family get-together. Let us spend some time together before our school year begins!

I am looking forward to seeing you! Please sign up and coordinate with our energetic interim principal Mrs. Kim Burge. I am hoping to hear from her that we have a large number of parents who would like to play volleyball with me on these volleyball fun Saturdays!

God bless,
Fr. Carlos

Stay until the traffic clears

The end of the show/event is worth watching.
You get to savor the experience.
You can talk with those with you.
You can help someone who needs it.
Consider that the time is already spent. You can relax with the above, or you can sit in frustrating traffic.
Consider that the money is already spent. You don’t get a refund by cutting it short.
Consider that you’re worth it. And you’re smart enough to be patient.

Looking for a way for your family to help others?

Catholic Charities Neighborhood Center needs people to deliver meals to shut-ins. There are three different ways you could help.
- Drivers are needed on Thursdays for a route that includes three downtown high rise apartment complexes for elderly people, and three private homes.
- Drivers are needed one or two Saturdays a month to deliver the Pike route, which includes three senior citizen apartment complexes near St. Michael – Brookpark, Petroplus Tower and Welty Apartments - and six private homes.
- Backup drivers are always needed. If you are flexible and willing to be called at the last minute if the regular driver can’t make it, please let Catholic Charities Neighborhood Center know.

Your family could do this, or you and a few neighbors could share a route. If you found four families, each family would only have to drive one route per month. Easy peasy!

Volunteers pick up meals at the Neighborhood Center between 10:30am and 11:30am. The routes should take about an hour to complete.

This is a wonderful way to thank God for all the blessings in our lives. If you can help, please call Keith Miller, the new Neighborhood Center volunteer coordinator, at 304.650.9608.

**A few tips for safety in this summer heat!**

1. Don't do strenuous exercise outside. If you want to do sports, find an indoor location.
2. Wear loose, light clothing. Go for light colors and natural fabrics like cotton and linen.
3. Drink lots of water. You'll get dehydrated extremely fast so take a few bottles of water with you when you go outside.
4. Stay inside at noon.
5. Bring your pets inside.
6. Your vehicle becomes a hot oven on summer days. Children and pets cannot be left in your car, even for minutes.
7. Don't forget to check on your neighbors.

**Trump Admin Implements More Pro-Life Rules to Stop Research With Aborted Baby Parts**

“…The Trump administration introduced additional rules this summer to restrict taxpayer-funded research that uses aborted babies’ body parts. Last week, the National Institutes of Health outlined the specifics of the requirements, including detailed explanations from scientists about why they want to use tissue from aborted babies rather than ethically-obtained materials, according to Science Magazine. The new rules apply to tissue and cell lines taken from baby parts from elective abortions only; human tissue donated from miscarried babies and other ethical sources will not be subjected to the rules, The Scientist reports. For months, the Trump administration has been working to end the unethical practice of using aborted baby body parts in taxpayer-funded scientific research. In December, it announced a new $20 million grant to invest in ethical alternatives to aborted baby parts...”

“…A November letter from HHS assistant secretary of health Brett Giroir said the Trump administration is ‘fully committed to prioritizing, expanding, and accelerating efforts to develop and implement the use of these alternatives.’ He also said the department is ‘pro-life and pro-science.’”
