The Spirit drove Jesus out into the desert, and he remained in the desert for forty days, tempted by Satan. He was among wild beasts, and the angels ministered to him.

† **Eleanor “Jane” Bishop Sneddon**

May her soul and the souls of all the faithful departed, through the mercy of God, continue their journey to new life in the presence of God in the heavenly kingdom.

**Journey of the Chalice schedule:**

**February 18:** Karen and Brad Schmitt
**February 25:** Olivia and Scott Berry

The purpose of the Journey of the Chalice program is to encourage families to pray and promote vocations to the Priesthood and Religious Life. Praying for vocations is the most powerful way to support vocations. When we pray for vocations, we lift up to our Father those men and women whom He is calling to follow Him in a special way.

PRO-LIFE CORNER

40 Days for Life/Pittsburgh

We have an opportunity during these 40 days to allow God to use us to save lives and to bring souls back to him! In fact, a baby was just born in Pittsburgh last month that was saved from abortion because there were prayerful witnesses on the sidewalk when her parents came to Planned Parenthood for an abortion last summer.

Have you signed up for a time slot at the vigil yet? It begins on Wednesday at 7 am, in front of Planned Parenthood in Pittsburgh. There are many empty time slots that still need filled, or you can join others. You can also sign up to fast: 40daysforlifepittsburgh.com

National News:

On January 29, 2018, the Senate voted 51-46 against the Pain-Capable Unborn Children Protection Act, which would have protected children from being aborted after 20 weeks of pregnancy; the bill needed 60 votes. The House had passed the bill on Oct. 3, 2017, and President Trump had vowed to sign the bill into law if it passed the Senate. Babies have survived being born as young as 21 weeks, definitely feel pain, and a later term abortion can cause more dangerous consequences for the mothers. Democratic Sens. Bob Casey, Joe Manchin and Joe Donnelly supported the motion. Republican Sens. Susan Collins and Lisa Murkowski voted against it.

Silver Apple

For the second year, the Diocese has asked each school to nominate one teacher for the "Silver Apple" award. The Diocesan Apple recipient is one who makes contributions to Catholic school education at a level that merits special recognition. The recipient is a role model for other teachers in the school to emulate. Mrs. Kovalski has announced that Mrs. Jenni Elias is this year's nominee for SMPS.

Mrs. Elias will be honored at the Bishop's Cross Dinner on April 22 in Morgantown. Congratulations, Mrs. Elias, on this well Dine to Donate

St. Michael Parish School teamed up with the Texas Roadhouse for our first Dine to Donate of the year. To say the night was a success is an understatement. Families were encouraged to preorder gift cards that contributed to the grand total. We also had a 50/50 drawing and sold baked goods the night of the event. Denny and Barbara Magruder won and donated back the winnings from the 50/50. I am proud to announce we earned $883.50 for the event. THANK YOU to everyone that bought gift cards and/or came out to eat and support our school. We are grateful for all of you! Look for another date in the spring!
Eighth Grade Recognition

Eighth Grade student athletes and their parents were recognized on Thursday, February 8th at the basketball games at the Angelus Center. We had a great turnout of families and staff alike. We are so proud of all of our student athletes!

Dear Fr. Bill,

As National Catholic Schools Week is celebrated all across the nation this year from January 28 - February 3, all of us at Sacred Heart feel blessed that we are able to participate in this special event. We realize that it was through the generosity and kindness of people like you and your parish and school and the prayers of so many that we were able to re-open our school on our Interim Campus on January 4. As you can imagine, that was a very exciting day for us!

At this time, we are delighted to report that we have 96 students who have returned to our school family. Our former gym now shares its space with our cafeteria and STREAM Lab. All of the modular classrooms have been furnished and set up by the teachers. Generators are powering those temporary buildings until electricity is restored. The offices, library and computer lab modulars have been delivered to our campus, and we can't wait to move into those spaces which will make our Interim Campus complete.

We just wanted you to know that your consideration of our school is very much appreciated. We are so happy to be back with our students. Thank you for finding SHS worthy of your support. As our benefactor, you are remembered in the daily prayers of our children and staff.
