TREASURES FROM OUR TRADITION

At the time of the Reformation, although England broke away from papal authority under Henry VIII, a silent majority clung to the Catholic faith. Henry’s eldest daughter, Mary, restored the “old religion” in a fierce persecution of Protestants (she is called “Bloody Mary” for good reason.) His youngest daughter, Elizabeth, rejected papal ties. Under her reign, beginning with legislation in 1593, Catholics were persecuted again, and only the very wealthy could afford the fines for not attending Anglican services on Sunday. They were called “recusants,” from a Latin word meaning “refuse,” since they refused to attend the liturgy of the Church of England. Many families maintained Catholic tradition in secret, and today their descendants claim “Recusancy” as a mark of family pride. For generations they sent their young people abroad to be educated in convents and monasteries. It is not surprising that the first monastery in colonial America springs from Holland with the daughters of patrician English recusant families. Port Tobacco, Maryland, proved fruitful soil for the Carmelite tradition.

Discovering Christ – Coming This Fall!

Consider joining us this fall for the Discovering Christ series here at St. Michael Parish. We’ll gather in the Angelus Center on Thursday nights for 7 consecutive weeks beginning September 20th. Each night will consist of (free!) dinner, a talk on a faith topic, and table discussion. We’ll also meet for a retreat day towards the end. The series is open to adults and young adults (juniors in high school and older) in our community, from those who are not Catholic to those Catholics looking for an opportunity to deepen their faith and develop new relationships.

800 parishes across 37 US states and 9 countries have already used this series since it was introduced in 2009 in Maryland. We are excited to bring it here to Wheeling! We’re also still looking for folks to join our planning team. If interested, contact Margaret Erickson at m48erickson@gmail.com or Nick Mayrand at nmayrand@dwc.org.

Sponsor-a-Student
The upcoming 2018-2019 school year finds several school families in need of tuition assistance. St. Michael Parish School is asking those parishioners who are willing and financially able, to consider sponsoring a child for the upcoming school year with a tax-deductible donation to SPONSOR-A-STUDENT. Tuition for one child is $3,490; for two children $6,300; and for three or more children $8,515.
Recipients of tuition assistance are carefully screened, complete TAPS and FACTS and are granted assistance based on need and their active participation in the school and parish.

If you are able to provide assistance or have questions regarding this program, please call Shandi Nodurft for further information at 304.242.3966 ext. 4.

Please continue to pray for our school and our dedicated teachers and administrators.

If your child has benefited from a quality Catholic education at St. Michael Parish School, perhaps you would consider offering that gift to another child. Many families are struggling in our present economy and could truly use some help.

Thank you for your consideration!

Guam is now abortion-free as no doctor is willing to commit abortions.
“The last abortionist on the island of Guam has retired, leaving the island completely abortion free. Abortion still remains legal in Guam, a United States territory… There are no restrictions at all for a woman to have an abortion if she is less than 13 weeks pregnant. But if the preborn baby has a birth defect or disability, or the pregnancy is the result of rape or incest, then it is legal to have an abortion up through 26 weeks — when the procedure is especially violent, and the baby is considered viable.”

“…Despite the legality of abortion on the island of Guam, there are evidently no doctors willing to continue to commit abortions there…This seems to be in line with what abortionists in the United States have reported; they have complained that they ‘get no respect,’ especially from the medical community, who look down on them as the ‘lowest of the low.’” [https://www.liveaction.org/news/guam-last-abortionist-retires/]
