As often as you eat this bread and drink the cup, you proclaim the death of the Lord until he comes.

On Father’s Day weekend, we inaugurated a candle which has been placed on the altar of St. Joseph.

It is placed under the protection of St. Joseph who was a “just man;” faithful to God, led a strong devotional life and was a good parent.

The candle is a symbol of our commitment to pray: for survivors of sexual abuse, for healing and for comfort and strength.

We remain steadfast in our faith and unite as brothers and sisters of the Catholic Church.

—Wendy F. Hinerman

“Candle of Peace”

This candle burns in spirit with everyone whose trust was betrayed by the Church that we love.

We pray for the grace to forgive and to act with justice. Grant that all who have been harmed may find peace.

Pray for Vocations

O Mary, who raised your Divine Son with the guidance of the Holy Spirit, intercede for all young people, especially those clouded by doubt about their vocations. May the light of grace pierce their hearts so they may answer your Son’s call, especially those whom He is inviting to the priesthood and consecrated life. Amen.

PETITION: 'Dump Netflix' over their attack on unborn babies

“The pro-life movement is unified in its revulsion over Netflix's decision to ‘work with the ACLU’ to fight against Georgia's newly-signed Heartbeat Law.”

LifeSite is now encouraging our supporters - and anyone who cares about the pro-life cause - to 'Dump Netflix'...and cancel your current Netflix subscription.
If you don't currently have a Netflix subscription, you can also sign this petition. It simply states that, until the company reverses this decision, you will not subscribe to their services.
Make no mistake: Netflix declared war on unborn babies and on the pro-life movement when their Chief Content Officer, Ted Sarandos, told Fox News that if the heartbeat law was to take effect, ‘we'd rethink our entire investment in Georgia,’ and in the meantime ‘will work with the ACLU and others to fight it in court.’
Those are fighting words, and as pro-lifers, we simply cannot continue to support huge corporations, like Netflix, which use monies gained from their clients' subscriptions, to defend and promote abortion...to work (lock, stock and barrel) against the unborn and the pro-life movement.
Iowa pro-family activist Shane Vander Hart summed it up perfectly when he said: ‘I don't care if a company is neutral on an issue I care about, but I do care when they work against me.’ Thankfully, this is the attitude which the entire pro-life movement has adopted on Netflix's pro-abortion stance.

And, this is why it is now imperative that we 'Dump Netflix' and CANCEL our subscriptions.
Please SIGN and SHARE this urgent petition right away…"

Special thanks for a special guy!

St. Mike’s Parish garage has a brand new garage door opener system thanks to John Carenbauer!

Our old door system was problematic, and risked the welfare of our new lawn mowers and equipment behind unsecured doors.

Thanks to John’s never ceasing generosity and big heart, we don’t have those problems any longer!

Thanks John, once again, for your time, funds and just for being YOU!

Our Stewardship Council would like to thank everyone who donated men’s and women’s summer clothes for our clothing drive. We collected over 30 bags that were donated to Youth Service Systems.

The clothes will be put in Sophie’s Free store to be given to those in need.

Thank you for your generosity!
I was born in Manila, Philippines as the eldest of five siblings. Education played a vital part of my life while I was growing up, and my parents endured hardships just to send me to a Catholic school run by the Sisters of the Religious of the Assumption. I did not push through with my priestly vocation right after high school, but rather earned an Accounting degree in college, and worked as an accountant for six years.

Through the Assumption Sisters, I was connected with the Augustinians of the Assumption, their male counterpart. In Massachusetts, I started my religious formation with the Assumptionists, whose way of life was inspired by the Rule of St. Augustine. I enriched myself with every mission experienced with my Assumption family.

I finished three years as a religious brother on temporary vows while doing my three years of Theology. Serving my neighbors and the Church encouraged me to give myself freely as a seminarian for the Diocese of Wheeling-Charleston. I find service as a means of responding to Jesus’ dual commandment of love, “To love God is to love your neighbor as you love yourself.”

I finished a year of Pastoral work with Fr. Joseph Hayden, S.J. along with the people of Benwood and McMechen. While in the suburbs of Wheeling, I invested my time in knowing people through volunteer work at the Catholic Neighborhood Center, Bishop Donahue High School, and with the Filipino-American Medical Association where we had our first Filipino Dinner to benefit the Sts. James and John School in Benwood. Last summer I also worked at my pastoral assignment at St. Brendan in Elkins, St. Patrick in Coalton, and at the Tygart Summer Camp, sponsored by our diocese. I enjoyed my time with our little brothers and sisters along with the many volunteers who run the camp every year.

Then, on December 14, 2008, Bishop Michael Bransfield ordained me as a transitional deacon for our Diocese of Wheeling-Charleston. It was a great sign of community, friendships, and thanksgiving for the many blessings that God is giving me. It was also an occasion to be with relatives and friends. I was thankful for Bishop Bernard Schmitt who prepared me during my retreat and was at my deaconate ordination along with many of our priests and deacons.

I finished my last year of Master of Divinity program at St. John’s Seminary in Brighton, Massachusetts. My program included a weekend parish assignment, serving as a deacon at St. Mary’s of the Annunciation in Cambridge. Seán Patrick Cardinal O’Malley, OFM Cap, the Archbishop of the Boston, granted me faculties to serve the parish, which is in between Harvard University and the Massachusetts Institute of Technology. My assignment involved dealing with people of diverse cultural backgrounds in an environment of many ideological divergences. However, Christ’s message of love and unity were present among the people of the parish, especially the community of priests and deacons living in the rectory.

I was ordained a priest by Bishop Bransfield on June 27, 2009.
