

# **Buildings and Grounds**

**Minutes ~ Feb. 4, 2016**

- I. Opened with a prayer
- II. Present: Denny, Matt, Larry, Mike, Joe, Jason, Wendy.  
Absent: Ed and Kevin.
- III. January minutes were approved.

## **IV. Old Business**

### A. Church

- 1. Tentative date to start lighting project  
February 15th.
- 2. Baker water proofing tentative date to start  
raising walks is May 13.

### B. Bishop Schmitt addition.

- 1. Hose bib on and working
- 2. Working on checking age of H.V.A.C units on  
roof.

## **V. New Business**

### A. Old School

- 1. Last two H.V.A.C. units on roof to be replaced  
on Friday, February 5th at a cost of \$47000.00.
- 2. Larry suggested that the water line feeding the  
existing kitchen be checked for leaks.
- 3. Committee was informed that in 2018  
(summer) the fire suppression system needs  
updated to state regulations. The school is  
considering updating the kitchen to a more  
usable, commercial kitchen for hot lunch. We  
suggested and believe the school should work

thru our committee as this project nears so that all requirements are met. Our campus is large and needs to run as a single unit.

VI. Closing prayer and next meeting set for **Thursday, March 10**, noon at the Parish Center.
