

Buildings and Grounds Minutes

January 3, 2019

- I. Opened with a prayer by Monsignor Peterson
 - A. Attendance ~ Kevin was absent
 - B. November minutes approved by John and Mike.

- II. **Old Business**
 - A. Rear Doors at old school are working as designed.
 - B. Informed committee that the doors at the basement entry of Bishop Schmitt were installed over Christmas and entry Fob moved to the hallway door. Mrs. Thalman is very appreciative.
 - C. Remainder of school lights in kitchen were installed over Christmas. Thank you Skip.

- III. **New Business**
 - A. Larry asked if the first pew on Mary's side could be removed and modesty rail moved back to allow for easier access pass the piano ~ will investigate .
 - B. Two bids received for much needed lintel work and repointing at old school. Both bids under \$20,000.00, will study and make recommendation to move to finance or table at February meeting.
 - C. Three bids for Fire Alarm System upgrade at a future date. Difference in bids. Will study and when actually moving forward with this, we will have a pre-bid with all bidders to set specs.
 - D. Still seeking bids for Church fire alarm system.
 - E. School received 2 formal bids for 22 new school doors – Pricing out of reach for now. Will look to limit windows in door with industrial film.
 - F. Bells are not working at the church. We will investigate. Also the light on the cross at the top of bell tower burned out ~ will also investigate that.

- IV. Next meeting set for Thursday, February 7th, 2019

- V. Closed with a prayer.

Respectfully submitted,

Denny Wilson
