

Buildings and Grounds Minutes

December 7, 2023

- I. Opened with a prayer by Fr. Carlos.
- II. Took attendance:
- III. Approved November Minutes.
- IV. Current Business**
 - A. John Carenbauer has tagged all controls and valves on the boilers. Will continue to tag some in the Mechanical Room at St. Michael Angelus Center.
 - B. Still looking to simplify our condensate pumps.
 - C. John is on the school safety committee and will continue to make our campus as safe as possible.
 - D. Tri-State Vinyl will put 3M window coating on the school windows at ground level and at the entrances of St. Michael Angelus Center. The administration will set the priority.
 - E. Hytek will be putting an electronic lock on the door to the Secretary office at the school to make this area a true man trap.
 - F. With much help and cooperation from the City Water Dept., the Bishop Schmitt 4" water line was fixed in house. Many Thanks to the Water Department/Distribution.
 - G. There was a general discussion of interior renovation of the church. After Advent a working group will be set up to visit several other churches in our diocese that have been through this process.
 - H. John, Denny and Pete will continue to work on the hot water issue at the St. Michael Angelus Center.
 - I. The committee will look into new windows for the Adoration Chapel and cry room.
- V. Next meeting is scheduled for 12:00 Thursday, January 4, 2024.
- VI. Fr. Praveen closed with a prayer.

Respectfully Submitted,

Denny Wilson
