

Buildings and Grounds Minutes

February 10, 2022

- I. Opened with a prayer and introduced Pete Nanny as our new maintenance hire.
- II. Took attendance and approved January minutes.

III. Old Business

- A. Carpet bids for Parish Office for only Michelle and Wendy's office were approved and sent to finance.
- B. Snow plow and salt spreader repaired at a cost of \$1000.00. All but \$50.00 were donated by parishioners. Snow blower has also been repaired.
- C. Voted to recommend to the finance committee to void contract with Nardo and ask for refund.

IV. New Business

- A. Angelus Center gym needs one basket repaired and bleachers need inspected. Recommend to finance to approve inspection of all 6 baskets and bleachers this summer.
- B. Will obtain prices for Security cameras for the campus and move to finance.
- C. Moved to finance the possibility of leasing the stone lot.
- D. Still heating issues in the church. Johnson Boiler continues to investigate.
- E. School needs to possibly replace carpeting in 8 rooms this summer. *Would really like to school to consider vinyl instead of carpet. It's much cleaner, does not hold bacteria and is easier to maintain and clean with less effort. (Healthier for students/staff.)
- F. Matt will check into cost of a small tractor for summer and winter use.

V. Closed with a prayer.

VI. Next meeting set for March 3rd.
