

# **Buildings and Grounds Minutes**

## **September 8, 2022**

- I. Opened with a prayer.
- II. Took attendance. Absent were: Matt, Kevin and John. Approved August minutes.

### **III. Old Business**

#### A. School Projects

1. New flooring in 9 classrooms, teachers' lounge and one hallway. There has been a very positive response from teachers and others.
2. Replaced one large glass window in Bishop Schmitt Hall.
3. Emergency lighting check and new batteries added.
4. Carbon monoxide monitors added to school fire alarm system.

- B. Pastor's bedroom and bath painting completed by Pete & Ed McGinley. Thank you Ed for volunteering you time & talent!

## IV. New Business

- A. We have received \$20,000.00 grant for security cameras to be placed around the campus both inside buildings and on the grounds. Additional funds will need to be found. We thank J.B. Chambers Foundation!
- B. We have a new bell system running our bells. Chime Master is the new bell contractor. The bells can be controlled by an App **anywhere in the world!** (Chad)
- C. Looking into having the cushions on the chairs in the Angelus Center refurbished or replaced. Thank you to Cathy Northcraft for heading up this effort.
- D. We had a fall at the Angelus Center by the handicap parking area. We will be grinding down high spots around campus.

V. Closed with a prayer.

VI. Next meeting is scheduled for Thursday, October 6<sup>th</sup>, 12:00 noon, at the Parish Center.

*Respectfully submitted, Denny Wilson*
