

Buildings and Grounds Minutes

April 13, 2023

- I. Opened with a prayer ~ Matt Mansuetto
- II. Took attendance – Absent: Fr. Carlos, Fr. Freddy and Michelle Patterson.
- III. **OLD BUSINESS**
 - A. Campus cameras are up and running. Need another in the back stairwell of the old school near Bishop Schmitt Hallway. May add additional cameras if Federal Grant comes through.
 - B. Pete replaced the water filter under the sink in the parish rectory kitchen!! 😊
- IV. **CURRENT BUSINESS**
 - A. Lintel/window project on old school east and west side to start on or about May 30, 2023.
 - B. Concrete work – Pre-construction meeting April 25, 9:00 in the Parish Center office.
 - C. Playground project moving forward. Hope to have the playground ready for the 23-24 school year.
 - D. Food truck on the stone lot is open and running.
 - E. Security issues – grant application for school and church/rectory are in and we will not know until September if we are awarded.
 - F. The boiler issues are being worked out. There are two issues in the heating system that do not involve the new boiler that we will need to address before the next heating season.
 - G. Snow removal – was not an issue this past year but we are looking at a service for walk and step cleaning. We have enough equipment to do all of the parking lots.
- V. Closing Prayer.
- VI. Next meeting May 4, 2023, 12 noon in the Parish Center office.
