

Buildings and Grounds Minutes

October 6, 2022

- I. Larry opened the meeting with a prayer.
- II. Attendance was taken: Father, Wendy, Kevin and Pat were absent. September minutes were approved.
- III. Old Business**
 - A. Emergency lighting project should be finished with in-house employees this month.
 - B. John is working on having the softener donated by C.C.H.S. installed by Nau Plumbing to the boiler water as recommended by Johnsons.
 - C. Heat is available and running in the church.
 - D. High spots at the Angelus Center have been planned.
 - E. Denny is getting a budget number for the steps and flatwork at the rectory and side door of the church. Needs to speak to the Fire Marshall before bidding can go forward.
- IV. New Business**
 - A. Security cameras in and around campus can move forward thanks to a \$20,000.00 grant from the James B. Chambers Memorial Foundation. Thank you Wendy for obtaining the grant.
 - B. One bell on the bell system needs work by an electrician.
 - C. The cushioned chairs at the Angelus Center will be recovered with cleanable vinyl.
 - D. Trash cans at the Angelus Center need to have lids to keep out rain and bees. John will get measurements for Michelle.
 - E. Denny will get the salt inventory for Michelle. Also, the snow blades will need to be installed this month.
 - F. Michelle mentioned the Larry Brothers will trim around the new smart boards. Thank you Larry for you gift of time and talent.
- V. Next meeting is scheduled for Thursday, November 3rd, 12 noon.
